Re: "May Annexation" of 17.55 Acres into the Corporate Limits of Grantsville City

Lieutenant Governor Cox:

The Grantsville City Council acting as the governing body for Grantsville City, a political subdivision of the State of Utah, on June 20, 2018 adopted an ordinance regarding the annexation of 17.55 acres along the eastern boundary from the unincorporated area of Tooele County, Utah.

Accompanying this Notice is a certified copy of Ordinance No. 2018-08 related to the above referenced annexation, together with a copy of a Final Local Entity plat prepared and signed by a licensed surveyor and approved by the Tooele County Surveyor and the Grantsville City Council.

Pursuant to Utah Code Ann. §67-1a-6.5(3) the Grantsville City Council hereby certifies and verifies that all requirements applicable to this boundary action have been met and it seeks a certificate of annexation of the 17.55 acres into the Grantsville City boundaries and a certificate of withdrawal or disconnection of the same territory from the North Tooele County Fire Protection Service District.

The North Tooele County Fire Protection Service District currently provides fire protection services to the area proposed for this annexation. Pursuant to Utah Code Ann. §17B-1-502(2) an area within the boundaries of a local district is automatically withdrawn from the local district by the annexation of the area to a municipality, since no election was required for the creation of the North Tooele County Fire Protection Service District and the boundaries of said local district do not include any of Grantsville City's boundaries.

Dated this 21st day of June, 2018.
